

# FOUNDATION FINDINGS

## Trees for Tomorrow

Above: Members of the PHS boys basketball team with Mrs. Acklin honoring Dr. Jim Acklin with a planted tree.

Trees for Tomorrow started 9 years ago. We have planted over 100 trees, about 15 trees a year. Trees for Tomorrow works on our behalf. David W. Dick and Teresa Bach selects and chooses the appropriate location for the trees. This program is funded entirely through donations. Now accepting donations, every dollar received goes to plant trees. Donations can be mailed to: Trees for Tomorrow, c/o Edgar County Community Foundation, 177 W. Wood, Paris, IL 61944.

## Thanks for the Grain

The Edgar County Community Foundation acknowledges the bountiful harvest, with opportunities for country producers to direct the donation of a portion of this year's crop to any of these areas of interest for which the Foundation provides support, such as:

*Music, Art & Drama, Educational Technology, Parks & Recreation, Athletic Programs, Vocational Training, Trees for Tomorrow, Paris Center of Fine Arts, Challenger League, Ag In The Classroom, Bee Well, Edgar County Fair, Dual Credit Courses, New School Dev., College Scholarships, Paris Hat Project, Do-It Cancer*

## The Edgar County Community Foundation

*For Good, Forever, For Edgar County*
