## Who We Are!

*The Edgar County Community Foundation serves as a conduit in providing support for valuable programs, resources and projects throughout our county. We match people who want to give back to their community with causes they are passionate about supporting.*

*Those gifts come in all forms, from in-kind donations of valuable time and talents to monetary commitments to gifts of real estate or equipment. We serve as a resource for our nonprofits, such as the Paris Hat Project, the PERK Mentoring Program, Food For Kids Backpack Program, and Ag in the Classroom. We provide scholarships for children, host endowment funds, including the one for 100 Women Who Care, and provide grants for worthwhile projects and programs benefiting our County's quality of life, education, and welfare.*

*We are passionate about making our own corner of the world a better place to live now, and in the future. We help others invest their resources and funds where they count most--at home--where they can benefit our families, friends and neighbors for many years to come."*
