

EDGAR COUNTY COMMUNITY FOUNDATION FINDINGS

FOOD for KIDS

Food for Kids backpack program provides supplemental food from children to take home each weekend during the school year help those who, for whatever reason, may not get enough food. This volunteer program just completed its first full school year serving 70 children, providing two breakfasts, two lunches, two dinners as well as snack items and drinks. The 20 volunteers meet each Thursday during the school year at the Edgar County Farm Bureau to put the packs together and then deliver them to school for distribution.

To support the continuing work of Food for Kids, gifts may be made through the Edgar County Community Foundation, in care of the Edgar County Bank and Trust Trust Department. Checks may be made to the foundation with Food for Kids on the memo line. All gifts are tax deductible.
